JERSEY RAMBLINGS

by Lee Widjeskog A/2-506

During the past week and a half Kathy and I spent time in Calhoun County West Virginia! Kathy's sister lives there with her husband and I got a chance to help him clear some brush and build a few shelves in the shed we built during our last visit. I always enjoy visiting West Virginia and this time of the year (early spring) one can see much further in the hills than in the summer. I wish we had that opportunity in the hills west of Camp Evans! Agent Orange did not last long enough when it came to vegetation.

As usual things keep moving along and we all are getting older in years if not in spirit. I was saddened to hear of the passing of George Murphy on April 2. I am afraid things like this will become more common to our friends and associates as the years pass. With that in mind, Fred Spaulding has suggested that we post a frame in the newsletter with the names of comrades we have recently heard of dying. This will help our memory and alert us to what has happened since we cannot keep in touch with everyone.

RIPCORD ASSOCIATION UPDATES:

Reunions

We are set for the 2017 reunion at the Tropicana in Laughlin, Nevada. The days for that event will be different from what we have been doing. It will start on Monday, 2 October 2017 rather than Wednesday. The final day (banquet night) will be Thursday 5 October 2017 with people leaving on Friday. Rooms will be \$34 per night Sunday thru Thursday and \$60 on Friday and Saturday nights.

Now that we have your attention, the 2018 reunion looks like it will be once more in Myrtle Beach, South Carolina at the Sands Ocean Club as in the past.

However, there is a time period change here as well! In an effort to keep the price as low as possible, the reunion **will be held the last day of October into early November (31 October thru 3 November 2018 with Sunday as check out day for \$62 per night before taxes).**

Finally, in order to confuse and shatter your memory cells, the 2019 and 2020 reunions in Indianapolis, Indiana will probably be held around the 23 July period as was the battle wrap up. Prices are still in negotiation but they will be nowhere as low as 2017 or 2018 unless we use this time period. Stay tuned for further info!!

The Ghosts of Ripcord DVD

"The Ghosts of Ripcord" is once more alive and kicking. John Daily is putting together the DVD's and will soon be ready to sell them to whoever wants a copy. He indicated he has a list of over 200 people seeking this DVD. He has been slow but it looks like it will finally be available. We are waiting for more information to provide you on how to order the DVD. **The Ripcord Association is not responsible for distribution of these DVD's.**

Remembering Firebase Ripcord Book

"Remembering Firebase Ripcord" is now out as many of you are available. The author, Chris Brady is having a book signing the end of April down in Myrtle Beach. A number of Ripcord guys will be there and all are invited. A good turnout will help the book sell so if you are near or have the time, drop down there and attend the signing and maybe buy an extra book or two. Details are in Chris's column elsewhere in this newsletter.

New in country, our group was sent as Rear Security on July 21. The mess had been hit the week before. On July 23, the Schnucks helicopters pulled the 105's off the hill. They were back to get the back hole and bulldozer but one set down 20 ft from my fox hole on top of the hill. The pilot jumped into my foxhole and said they had hit his #1 engine. We were evacuated by Huey's picking us up in the pits where the 105's had been.

I was a pilot flying in support of FSB Ripcord from May 1970 to July 1970. I was a new pilot with the Kingsman/Kingsmen call sign during the period. I did not fly during the last days at FSB Ripcord. I flew many sorties as a co-pilot in the area FSB Kathryn, and nearby locations.

I served as an AH-1G gunship pilot in 1972, but serve as the Vietnam Helicopter Pilots Association Legacy Committee Chairman. The Battle of FSB Ripcord is important to remember and study. I look forward to being an associate member of your organization.

B Co 3/187 3rd platoon. I did a Hot LZ on 12 March 1970 to take the pressure off the 506. I still have your CEOI. We were socked in for a couple of weeks on the mountain top and the Vietnamization in the flats followed by Las Son 719. Would like the details on the March period for my boys- we meet regular but never knew where or why we were doing what we did on that one!

My father is David Rich. Though my parents divorced and the time we should have had with our father was too short. I am hoping to reconnect with him in a way that honors his memory with those he served with.
Respectfully, his son,

George D. Murphy 1948-2016

Recently we lost a most able member of the FSB Ripcord Association with the passing of George Murphy formerly of Bravo Battery 2/320 Field Artillery. George and his wife Mary were not founding members of the association having only discovered and attended their first reunion in 2004, but they were great and consistent supporters!

After Viet Nam, George got a Bachelor of Science degree and went to work for the Caterpillar Company. He found time to marry Mary Way in 1982. He was active in his community as a Cub Scout Leader, Little League coach, a member of the Newark Neighborhood Watch, a Moose Lodge member, a member of VFW Post 1486 and American Legion Post 181. George couldn't just be a member, he eventually became post commander for each of these last two organizations. When he wasn't playing golf or softball, he and Mary owned and raced harness horses in the area.

Once he discovered Keith Nolan's book on Ripcord, he became an active member of the association. When he and Mary heard that Keith had terminal cancer they took Chuck Hawkins suggestion and proceeded to check with a bank and lawyers to set up a trust fund for Anna Britt Nolan, the young daughter of Keith. By the fall of 2008 the trust fund was set and the first donations made. The success of this fund is due to the hard work and efforts of George and Mary Murphy and the others who have contributed to this wonderful cause. They felt as do most of us that without Keith Nolan's book, many of us would not know each other today or the details of the battle in which we participated.

We of the FSB Ripcord Association will greatly miss the presence and hard work of George Murphy who was and always will be a dedicated veteran, valuable member of society and a friend to all who got to know him! God speed, George, we will miss you.

The address where donations may be sent for the trust fund is:

Aaaah Spring is here. We had a mild winter here in Boise. The snow landed up in the mountains where we need it. Most places where they measure it's at 100% or more.

As of 4/9/16 our facebook page is up to 584 members.

A few months ago I picked up a new position with the company I work for. Along with giving out food samples I will not be traveling all of southern Idaho Checking on the other employees that do demo's. So, lots of traveling from now on. Yes I know not too smart on my part hahaha.

Our plans for the summer, is a vacation to the Oregon coast. Visit with family. Soon the Snow melts its ATV time.

As always guys and gals keep posting your thought and pictures on our Facebook page. You are the life's blood of our page. Have a safe summer.
